2	(1) As applicable and as provided in Sections 350.113, 364.02(13) and 364.336, F.S.,
3	each company shall remit a fee based upon its gross operating revenue as provided below.
4	This fee shall be referred to as a regulatory assessment fee, and each company shall pay a
5	regulatory assessment fee in the amount of 0.0020 of its gross operating revenues derived
6	from intrastate business. For the purpose of determining this fee, each telecommunications
7	company shall deduct from gross operating revenues any amount paid to another
8	telecommunications company for the use of any telecommunications network to provide
9	service to its customers. Regardless of the gross operating revenue of a company, a minimum
10	annual regulatory assessment fee of \$50 shall be imposed as follows:
11	(a) Local Exchange Company - \$1,000;
12	(b) Pay Telephone Service Provider - \$100;
13	(c) Shared Tenant Service Provider - \$100;
14	(d) Interexchange Company - \$700;
15	(e) Alternative Access Vendor - \$600;
16	(f) Competitive Local Exchange Company - \$600.
17	(2) Telecommunications companies that owed gross regulatory assessment fees of
18	\$10,000 or more for the preceding calendar year shall pay the fee and remit the appropriate

20	than July 30 for the preceding period of January 1 through June 30, and no later than January
21	30 of the following year for the period of July 1 through December 31. Telecommunications
22	companies that owed gross regulatory assessment fees of less than \$10,000 for the preceding

 $1 \mid$  year for the current calendar year operations.

2	(3) If the due date falls on a Saturday, Sunday, or legal holiday, the due date is
3	extended to the next business day. If the fees are sent by registered mail, the date of the
4	registration is the United States Postal Service's postmark date. If the fees are sent by certified
5	mail and the receipt is postmarked by a postal employee, the date on the receipt is the United
6	States Postal Service's postmark date. The postmarked certified mail receipt is evidence that
7	the fees were delivered. Regulatory assessment fees are considered paid on the date they are
8	postmarked by the United States Postal Service or received and logged in by the
9	Commission's Division of the Commission Clerk and Administrative Services in Tallahassee.
10	Fees are considered timely paid if properly addressed, with sufficient postage, and postmarked
11	no later than the due date.
12	(4) Commission Form PSC/CMP 25 ( <u>xx/xx01/05</u> ), entitled "Local Exchange Company
13	Regulatory Assessment Fee Return"; Form PSC/CMP 26 ( <u>xx/xx01/05</u> ), entitled "Pay

17	Fee Return"; Form PSC/CMP 1 ( <u>xx/xx01/05</u> ), entitled "Alternative Access Vendor Regulatory
18	Assessment Fee Return"; and Form PSC/CMP 7 ( <u>xx/xx01/05</u> ), entitled "Competitive Local
19	Exchange Company Regulatory Assessment Fee Return" are incorporated into this rule by
20	reference and may be obtained from the Commission's Division of the Commission Clerk and
21	Administrative Services.
22	(5) Each telecommunications company shall have up to and including the due date in
23	which to submit the applicable form and:
24	(a) Remit the total amount of its fee, or
25	CODING: Words <u>underlined</u> are additions; words in <del>struck through</del> type are deletions from existing law.

- 2 -

(b) Remit an amount which the company estimates is its full fee.

2 (6) Where the company remits less than its full fee, the remainder of the full fee shall
3 be due on or before the 30th day from the due date and shall, where the amount remitted was
4 less than 90 percent of the total regulatory assessment fee, include interest as provided by
5 paragraph (8)(b) of this rule.

6 (7) A company may request from the Division of the Commission Clerk and
7 Administrative Services a 30-day extension of its due date for payment of regulatory
8 assessment fees or for filing its return form.

9 (a) The request for extension must be submitted on Form PSC/CCA 124 (01/05) and
10 will be granted if the company has applied for the extension within the time required in
11 paragraph (b) below and the company does not have any unpaid regulatory assessment fees,
12 penalties or interest due from a prior year. Form PSC/CCA 124 (01/05), entitled "Regulatory
13 Assessment Fee Extension Request" is incorporated into this rule by reference and may be
14 obtained from the Commission's Division of the Commission Clerk and Administrative
15 Services.

16 (b) The request for extension must be received by the Division of the Commission
17 Clerk and Administrative Services at least two weeks before the due date.

(c) Where a telecommunications company receives an extension of its due date
pursuant to this rule, the telecommunications company shall remit a charge in addition to the
regulatory assessment fees, as set out in Section 350.113(5), F.S.

(d) The return forms may be obtained from the Commission's Division of the
Commission Clerk and Administrative Services. The failure of a telecommunications
company to receive a return form shall not excuse the company from its obligation to timely
remit the regulatory assessment fees.

(Local Exchange Company)

1. WHEN TO FILE: For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return is required twice a year and payment must be filed or postmarked:

On or before July 30 for the six-month period January 1 through June 30, <u>and</u> On or before January 30 for the six-month period July 1 through December 31.

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the prior twelve-month period January 1 through December 31.

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

2. FEES: Each company shall pay 0.0020 of its gross operating revenues derived from intrastate business. Gross Operating Revenues are defined as the total revenues before expenses. <u>Annual revenue amounts are to be reported on the return for</u> the period ended December 31.

On Line 41, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. <u>Do not deduct</u> any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.

3. FAILURE TO FILE BY DUE DATE: Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 46). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 47). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to timely file a Regulatory Assessment Fee Return, the Commission has the authority to order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

4. **EXTENSION:** A request for an extension of time up to 30 days may be made by filing the enclosed *Regulatory Assessment Fee Extension Request* form (PSC/CCA 124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due (Line 48):

0.75% of the fee to be remitted for an extension of 15 days or less, *or* 1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

- 5. FEE ADJUSTMENTS: You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. WHEN TO FILE: For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return is required twice a year and payment must be filed or postmarked:

On or before July 30 for the six-month period January 1 through June 30, AND On or before January 30 for the six-month period July 1 through December 31.

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the prior twelve-month period January 1 through December 31.

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

2. FEES: Each company shall pay 0.0020 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts.

On Line 2, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. <u>Do not deduct</u> any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.

3. FAILURE TO FILE BY DUE DATE: Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 5). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 6). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to timely file a Regulatory Assessment Fee Return, the Commission has the authority to order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

4. **EXTENSION:** A request for an extension of time up to 30 days may be made by filing the enclosed *Regulatory Assessment Fee Extension Request* form (PSC/ CCA-124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due (Line 7):

0.75% of the fee to be remitted for an extension of 15 days or less, or 1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

- 5. FEE ADJUSTMENTS: You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.
