Dear Mr. Eubanks:

Attached is a copy of the application of MSM Utilities, LLC's extension of its water and water certificates in Charlotte County. Pursuant to the Memorandum of Understanding between the Department of Community Affairs (DCA) and the Public Service Commission (PSC), the DCA has agreed to provide input on need for service and comprehensive plan consistency on applications for certificate amendments filed with the PSC.

The staff requests that a response be received by April 23, 2007. **Please note that the response should be addressed to the Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Boulevard, with the docket number highlighted for reference by the Commission.** This application has been protested by Charlotte County and the docket will be set for hearing in late August.

The staff at the Commission is looking forward to receiving the additional input from the DCA regarding this application. If there are any questions, please feel free to contact Tom Walden at 413-6950.

Sincerely,
