**Issue 3:** Should the Commission approve FPL's amended petition for approval of revisions to its tariff to implement a Governmental Adjustment Factor (GAF) for calculation of CIAC?

**Primary Staff Recommendation:** Yes; however, the GAF and associated tariffs should be effective for only two-and-a-half years from the initial effective date, which is April 4, 2006. At least 60 days prior to the expiration of the GAF and associated tariffs, FPL should be required to file a report with the Commission providing an updated quantification of storm restoration benefits. FPL should also petition the Commission to continue the tariff, modify the tariff, or discontinue the tariff at that time as necessary. (Draper, Kummer)

**Alternative Recommendation:** The Commission should deny the tariff and require FPL to file tariffs implementing the requirements of Rule 25-6.115, F.A.C.

**Issue 4:** Should this docket be closed?

**Recommendation:** Yes. If no timely protest is filed within 21 days of the issuance date of the Order, no further action will be necessary and this docket should be closed upon the issuance of a Consummating Order. However, if a protest is filed by a person whose interests are substantially affected within 21 days of the issuance date of the Order, the docket should remain open pending resolution of the protest.
