Good morning Cheryl! Yesterday, you sent a memo down closing the above dkt, but you **did not include the closing date** of when the sale occurred. The first ordering paragraph of order PSC-07-0195-FOF-WS states that the transfer of certificates and facilities is approved on the date of the closing on the sale of the facilities. When this order came out I called you and you were to finish me that date when you closed the dkt. I need to have that date so that MCD can be updated. Thanks for your help. N
