DOCKET NO. 070112-WS  
ORDER NO. PSC-07-0321-FOF-WS  
ISSUED: April 13, 2007

ORDER APPROVING CHANGE IN NAME

BY THE COMMISSION:

On February 9, 2007, an application was filed on behalf of MSM Utilities, LLC for authority to change the name on Certificate Nos. 611-W and 527-S from MSM Utilities, LLC to Sun River Utilities, Inc. The application was filed pursuant to Rule 25-30.039, Florida Administrative Code, which provides for changes in name only, with no change in the ownership or control of the utility or its assets.

Sun River Utilities, Inc. purchased the ownership interest in MSM Utilities, LLC., which was approved by the Commission effective February 13, 2007.<sup>1</sup> The reason given for the requested name change is that Sun River Utilities, Inc. would like to do business under its own name. Pursuant to the requirements of Rule 25-30.039, Florida Administrative Code, a statement was provided by the president of Sun River Utilities, Inc., attesting that the change in name will not result in a change in ownership, control or the service provided to its customers. The application also included documentation by the Florida Department of State, Division of Corporations, as evidence that the proposed name was registered as a Florida Corporation effective December 7, 2006. Also provided with the application was a copy of the proposed notice to be sent to customers informing them of the name change, as well as revised tariffs reflecting the proposed name change.

The application provides sufficient documentation that neither ownership or control or transfer of assets is involved. Therefore, MSM Utilities, LLC's request for name change is approved effective the date of this order. The approved notice of name change shall be sent to all existing customers with the next regular billing after the order is issued. The revised tariffs shall be effective for services rendered or connections made on or after the stamped approval date on the tariff sheets pursuant to Rule 25-30.475, Florida Administrative Code. The resultant order shall serve as Sun River Utilities, Inc.'s amended Certificate Nos. 611-W and 527-S and, as such, it shall be retained by the utility.

Based on the foregoing, it is
