This document needs to be returned to the source. Do you need a memo or will an email suffice?

Hi Rick,

I've been trying to track down who a document belongs to and Ray and I came to the conclusion that it must be you. It is doc #11664-05 - BST response to staff's 11/15/05 letter re: service provided during Hurricane Wilma restoration activities. Do we need to retain or return it? For this report, I marked retain since I know you're out of the office this week. I hope you are doing something fun other than painting! Have a good birthday!

Brenda
