Jennifer,
the clerk's office has rec'd. various documents pertaining to confidential document 03096-07. The most recent one is from FPL (DN 03531-07), advising this document does not need to be treated as confidential during the course of the hearing. Can i declassify confidential document 03096-07 and place it in the public docket file ???
Marguerite.

the clerk's office rec'd. DN 03522-07 (see attached), a letter from Michael Gross withdrawing notice of intent of Sierra Club's, et al. late-filed exhibit to depo of David A. Schlissel.

Is it OK to declassify this confidential document (DN 03096-07) and place in docket file ?

I think it would be better to wait until Sierra Club withdraws its Notice of Intent; I'll contact Mr. Gross and ask that he do so.

FPL filed document 03400-07 (see attached), which is a letter dated 4/23/07 to CCA/Cole (sic) withdrawing motion regarding confidentiality filed 4/19/07; counsel for Sierra Club has informed FPL that document [Confidential DN 03096-07] that was subject of motion is not confidential and does not need to be treated as such during course of hearing.

Is it OK to declassify confidential document 03096-07 and place in docket file ? or do we need/are waiting for verification from Sierra Club ?

Marguerite.
