COMMISSION
CLERK

Re: Filing Service Agreement for Southlake Utilities, Inc.

Dear Ms. Bayo:

Pursuant to Rule 25-30.550, Florida Administrative Code, Southlake Utilities, Inc. ("Southlake"), hereby files with the Florida Public Service Commission ("Commission") the following agreement:

Southlake Dental
at Cagan's Town Center

Southlake Dental has reserved 0.80 ERC's or 0.000280 MGD for domestic water capacity and 0.93 ERC's or 0.000280 MGD for wastewater capacity.

Southlake Water Treatment Plant has a capacity of 2.916 MGD and the current 3 month average daily flow is 1.595 MGD. Southlake Wastewater Treatment Plant has a capacity of 1.115 MGD AADF and the current 3 month average daily flow is 0.670 MGD.

Southlake has filed a replacement tariff with the Commission. Unlike its previous tariff, the new tariff does not include a standard developer agreement in the service availability policy section of the tariff. The enclosed developer agreement is not based upon the old developer agreement, but upon the replacement tariff and the Commission's orders changing Southlake's service availability charges, including changes to plant capacity charges and Allowance for Funds Prudently Invested Charges.

Please call me at (352) 636-8072 if you have any questions.

Sincerely,

Randall W. Corbin
Manager
