Re: Docket No. 070127-TX

Dear Ms. Cole:

Promoting competition and its benefits has been a hallmark of the Florida PSC and it's the mission of SunRocket, one of the fastest growing providers of broadband internet phone service in the country. As the President and CEO of SunRocket, and as a customer of Neutral Tandem's local exchange services in Florida, I am writing in support of its petition in this docket.

In serving its more than 200,000 customers, SunRocket uses Neutral Tandem's local exchange services not only to reduce costs, but also to improve its redundancy and network efficiency. Ensuring that Neutral Tandem maintains robust interconnections in Florida both enhances Florida's competitive market and its homeland security.

SunRocket sincerely appreciates sharing its position on this important matter, and it trusts that the Commission will proceed promptly with a complete examination of the Neutral Tandem's petition.
