Re: Docket No. 050862-WU – Application for staff-assisted rate case in Marion County by County-Wide Utility Co., Inc.

Dear Ms. Cole:

On June 5, 2007, I submitted to staff, in response to a staff request, a letter with attachments regarding the change in insurance rates to be paid by residents in Marion County, Florida. However, some of the verbiage used in my letter may have been misleading as to whether the information referred to "insurance rates" or "property taxes." Therefore, I am resubmitting the letter only, without the attachments, to clarify the information.

The documents illustrate the decrease in insurance costs resulting from an improvement in the protection class due to the installation of fire hydrants. This applies to both frame and masonry construction thusly:

FRAME CONSTRUCTION

<u>Dwelling Coverage</u>	<u>INSURANCE RATE COSTS</u>		<u>Insurance Cost Savings</u>
	<u>ISO Class 09</u>	<u>ISO Class 06</u>	
\$100,000	\$1,284	\$ 801	\$ 483
\$200,000	\$2,369	\$ 1,403	\$ 966

MASONRY CONSTRUCTION

<u>Dwelling Coverage</u>	<u>INSURANCE RATE COSTS</u>		<u>Insurance Cost Savings</u>
	<u>ISO Class 09</u>	<u>ISO Class 06</u>	
\$100,000	\$ 922	\$ 706	\$ 216
\$200,000	\$1,645	\$1,214	\$ 431

I apologize for the confusion generated by my earlier filing.

Please file this information in the above referenced docket file. If you need anything further, please do not hesitate to contact me.

Sincerely,
