

VOTE SHEET

June 5, 2007

Docket No. 070246-EG – Petition for approval of energy conservation programs, by Indiantown Gas Company.

**Issue 1:** Should the Commission approve Indiantown Gas Company's petition to offer energy conservation programs?

**Recommendation:** Yes. The proposed Residential New Construction, Residential Appliance Replacement and Residential Appliance Retention Programs are cost effective. By allowing Indiantown to offer these residential ECCR programs, customers should see energy savings by purchasing energy-efficient natural gas appliances. Customers will also receive rebates for their purchase of the new appliances. Indiantown should also be allowed to offer the Conservation Education Program because the program is designed to teach consumers about conservation measures designed to reduce energy consumption and consequently reduce their energy bills.
