BEFORE ME, the undersigned authority duly authorized to administer oaths,
personally appeared Daniel L. Roderick, who being first duly sworn, on oath deposes and
says that:

1. My name is Daniel L. Roderick. I am over the age of 18 years old and I

PEF's Request for Confidential Classification. The facts attested to in my affidavit are
based upon my personal knowledge.

2. I am the Vice President of Nuclear Projects and Construction for PEF's

3. As the Vice President of Nuclear Projects and Construction, I am
responsible for all aspects of major projects and construction of nuclear generating assets

in Florida, including the administration of PEF's contracts with various nuclear plant contractors.

4. PEF is seeking confidential classification for portions of the documents responsive to FIPUG's First Request for Production of Documents (Nos. 1-6). A detailed description of the confidential information at issue is contained in confidential Exhibit A to PEF's Second Request for Confidential Classification and is outlined in PEF's Justification Matrix that is attached to PEF's Second Request for Confidential Classification as Appendix C. 5. The information contained in portions of the documents responsive to Request Number 2 includes confidential and proprietary internal strategies of PEF's Power Uprate Project.

6. Additionally, the disclosure of confidential information in PEF's strategies would adversely impact PEF's competitive business interests. Specifically, if PEF's suppliers or competitors were made aware of PEF's internal strategies and analysis studies, they may adjust their behavior in the market place with respect to activity such as pricing and the acquisition and provision of goods, materials, and services.

7. Upon receipt of this confidential information, strict procedures are established and followed to maintain the confidentiality of the information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information. At no time since receiving the information in question has the Company publicly disclosed that

information. The Company has treated and continues to treat the information at issue as confidential.

8. This concludes my affidavit.

Further affiant sayeth not.
