Mr. Dawson,

I received your update form adding ICSolutions as a d/b/a.

I noticed that your Interexchange certificate already uses the d/b/a ICSolutions, but apparently the pay telephone certificate did not get updated with the d/b/a.

Can you please acknowledge that you want the d/b/a ICSolutions added to your Pay Telephone Certificate No. 8396 and I will have a docket opened to administratively take care of it for you.

Let me know,
