Paula, the staff rec filed in Docket 070340 shows the docket title as "Request for **two-year** exemption from requirement of Rule 25-24.515(13), F.A.C., that each pay telephone station shall allow incoming calls." However, the docket title in CMS does not have the "two-year." Should CMS be updated to include the wording? Please let us know as soon as possible since we are doing the agenda prep right now.

Thanks!
