MEMORANDUM

To: Marguerite Lockard (Clerk's Office)

From: Robert Freeman

For your information, here are the confidential items which according to RCA are scheduled to be declassified between August 1, 2007, and October 31, 2007.

We note Docket 000475-TL remains open. Confidential documents held within Docket 000475-TL may be subject to additional filings by the staff or the parties involved.

The items scheduled for declassification should be held for at least 21 days before any release. This will allow for all pending items affecting these items to clear.
