Dorothy,

After examining the filings for Docket Nos. 070610 and 070611 and confirming with the company, I determined that the requests pertain only to the transfer of CLEC customers. While Tele Circuit Network has both CLEC and IXC authorizations and both are listed in the filing, only local customers are being transferred. If Florida, Deland Actel and Actel Wireless only have CLEC certificates. Therefore, the suffixes for both dockets should be changed to -TX and the docket titles should be changed as follows:

Old:

Docket No. 070610-TP - Request for waiver of carrier selection requirements of Rule 25-4.118, F.A.C. due to asset purchase agreement, whereby Tele Circuit Network Corp. will acquire substantially all local exchange and long distance assets of Actel Wireless, including, but not limited to Actel's customer accounts in the State of Florida.

and

Docket No. 070611-TP - Request for waiver of carrier selection requirements of Rule 25-4.118, F.A.C. due to asset purchase agreement, whereby Tele Circuit Network Corp. will acquire substantially all local exchange and long distance telecommunications assets of Deland Actel, including, but not limited to, Actel's customer accounts in the State of Florida.

to the new:

Docket No. 070610-TX - Request for waiver of carrier selection requirements of Rule 25-4.118, F.A.C. due to asset purchase agreement, whereby Tele Circuit Network Corp. will acquire substantially all local exchange assets of Actel Wireless, including, but not limited to Actel's customer accounts in the State of Florida.

and

Docket No. 070611-TX - Request for waiver of carrier selection requirements of Rule 25-4.118, F.A.C. due to asset purchase agreement, whereby Tele Circuit Network Corp. will acquire substantially all local exchange assets of Deland Actel, including, but not limited to, Actel's customer accounts in the State of Florida.

The filing notes the company's purchase of local and long distance assets of Deland Actel and Actel Wireless in the first paragraph, but it is only acquiring long distance customers in the State of Georgia. Let me know if you need any more information. Thanks.

Melinda
