Subject: AirTIME Technologies, Inc. - TJ197 & TX269

Good morning Ms. Wesley, I just spoke with Ms. Brittany Stemmler regarding the company's new mailing address, as we received 2 e-mails, one from her and the other one from you, both stated different addresses. Ms. Stemmler confirmed that the new address is **766 Pike Road, West Palm Beach, FL 33411**, which is the one that we will use not the one that you had listed. Also, in answer to your question regarding 2 different Company Codes, they are for different types of authority that the Company has with the FPSC. Company code TJ197 is for the IXC registration (Interexchange authority) and Company Code TX269 is for the CLEC certificate (Alternative Local Exchange authority.) Should Mr. Keil decide that you do not wish to continue these authorities, you must **request** in writing that they be cancelled otherwise they will be **active** companies. Should you have any questions you may call me at the number listed below. Thank you.
