Good afternoon Nonnye.

I had Docket 040979-TI that dealt with RAFs. Before I ever had a chance to take this to Agenda, Ray found out that this company had filed for bankruptcy (Case No. 04-32079 in the District of New Jersey) and the 2004 docket was closed as having been opened in error. The company actually filed for Chapter 11 bankruptcy on June 30, 2004, and it was converted to a Chapter 7 proceeding on July 13, 2004. The Commission has never received an official bankruptcy notice but I have confirmed thru PACER that the above is true and that the bankruptcy case is still pending.

Please mark that this company is in bankruptcy. Thanks.
