Subject: Docket No. 080137-TI

Dorothy,

I should have gotten to this sooner. This docket only involves the transfer of long distance customers and the cancellation of a long distance registration, so the suffix should be -TI, and it should be removed from the docket list for TX751 in MCD.

Also, the title should be changed as follows:

OLD:

Docket No. 080137-TP - Request for approval of pro forma reorganization whereby Startec Global Operating Company, holder of IXC Registration No. TK051, will merge with Americatel Corporation, holder of CLEC Certificate No. 8420 and IXC Registration No. TJ049; request for waiver of carrier selection requirements of Rule 25-4.118, F.A.C.; request for cancellation of IXC Registration No. TK051, effective on consummation of transaction, on or about March 31, 2008; and request for expedited processing.

NEW:

Docket No. 080137-TI - Joint request for waiver of the carrier selection requirements of Rule 25-4.118, F.A.C., in transfer of long distance customers from STARTEC Global Operating Company (TK051) to Americatel Corporation d/b/a 1010 123 Americatel d/b/a 10-15-688 AMETEX d/b/a 1 800 3030 123 Americatel Collect (TJ049); and request for cancellation of IXC Registration No. TK051, effective on consummation of transaction, on or about March 31, 2008.

Thanks.

Melinda
