Dear Mr. Hoffman:

Please be advised that the Florida Public Service Commission has received a complaint regarding Hudson Utilities, Inc.'s ("Hudson") response to a customer's request for a listing of all the homes and businesses, by subdivision, that have not been connected to the wastewater system. The complainant, Eugene Michaux, asserts that pursuant to his request for the aforementioned information, Hudson representatives stated that there were no impediments to providing him with this information and that Hudson would provide him with a list of the homes and businesses that have not connected to the wastewater system as soon as possible. The complainant asserts that he submitted his written request to Hudson on February 1, 2008, and since that time Hudson has neither provided him with the requested information, nor responded to his continued inquiries regarding the requested information.

In order to aide in the expedient resolution of this matter, Staff requests that if you have the aforementioned information, please provide same to Mr. Michaux and a copy to the Commission by March 31, 2008. Mr. Michaux's contact information and address is listed below:
