Re: Cedar Acres Inc. Application

DOCKET # 080098-WU

Dear Stephanie,

Per our conversation on April 2nd 2008 I am requesting in writing an extension of the deficiencies notice deadline for our application. Due to the availability of some of the information we need to complete this properly, it is taking us longer than the April 11th 2008 deadline to complete. I want to assure you and your staff that all of our efforts are being put forth to complete this in a timely manner and realize the importance. We anticipate being able to complete this by May 11th 2008 but will forward it earlier if we are able to do so. Thank you for all of your help in this matter, and the instruction and processing direction you have given us. We look forward to talking with you soon.

Thank you in advance,

Dave Welch
