RE: Docket No. 070575-TX - Request for cancellation of CLEC Certificate No. 8639 by Clearwire Telecommunications Services, LLC, effective August 31, 2007.

On August 31, 2007, Docket No. 070575-TX was established to handle the company's request for cancellation. At the December 4, 2007, Agenda Conference, the Commissioners voted to approve staff's recommendation to deny the company a voluntary cancellation and instead, cancel the CLEC certificate on the Commission's own motion. Order No. PSC-07-1015-PAA-TX was issued on December 24, 2007, and provided that if payment of the 2007 Regulatory Assessment Fee was made before the end of the protest period, the cancellation would be deemed voluntary. Payment was received before the end of the protest period, therefore, the cancellation of Clearwire Telecommunications Services, LLC's CLEC certificate is deemed voluntary.
