**Re: Docket No. 070413-WS; Application for staff-assisted rate case in Polk County by S. V. Utilities, Ltd.**

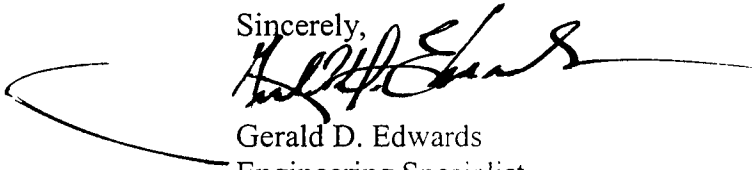

Dear Mr. Maxwell:

Staff requests the following information to complete our review of the application.

- 1) How long has the park had meters?
- 2) Are all of the mobile home lots metered?
- 3) Comparing the total water pumped and the total water sold, the utility pumped 83,824 million gallons of water and sold 47,805 million gallons of water during the test year. In addition, your records show there were no "other uses". Please provide a detailed explanation of why your records indicate that there is a difference of 35,719 million gallons.

Please submit the above information to the Office of Commission Clerk by May 6, 2008. If you have any questions, please contact me at (850) 413-7001 or by e-mail at [gedwards@psc.state.fl.us](mailto:gedwards@psc.state.fl.us).

Sincerely,
