FPSC-COMMISSION CLERK

General Data Requests for 080107-TX

1. Does High Tech Communications provide Lifeline service in any other state? If so, please list the state and whether this service is provided through a wholesale local platform or through resale. In addition, have any of these state utility commissions received any complaints concerning High Tech Communications service in that state? If so, please describe.

RESPONSE: High Tech Communications currently offers LifeLine products in the AT&T services areas under Resale. To our knowledge there are no open complaints concerning High Tech Communications in any of the states we provide service.

2. Has High Tech Communications been granted or denied ETC status in any other state? If so, please list the state and docket number in which ETC status was granted or denied. Has High Tech Communications filed for ETC status in any state and subsequently withdrawn the petition?

RESPONSE: No, High Tech Communications has not been granted or denied ETC status in any other state. No such petitions have been withdrawn.

3. According to 47 C.F.R. 54.201(d)(1), A company must offer the services that are supported by federal universal service support mechanisms either using its own facilities or a combination of its own facilities and resale of another carrier's services. Please provide any resale or Commercial agreements you currently have in Florida with other telecommunications carriers or signed evidence of the agreements.

RESPONSE: Please see attached Exhibit "A".

4. What facilities, planned or existing, does High Tech Communications have in Florida in order to serve Florida customers?

RESPONSE: High Tech Communications does not own, operate, or provide service in the State of Florida through the use of its own facilities. Current plans call for High Tech Communications to continue to provide service to its end users through the leasing of switched port/loop combination UNE's (previously known as UNE-P) from the Incumbent or through resale.

5. How many Florida residential and commercial customers does High Tech Communications presently serve?

RESPONSE: High Tech Communications currently has 1851 residential Florida customers and 0 commercial Florida customers.

DOCUMENT NUMBER-DATE

04233 MAY 21 8

FPSC-COMMISSION CLERK

6. According to 47 C.F.R. 54.202(d), "A common carrier seeking designation as an eligible telecommunications carrier under section 214(e)(6) for any part of tribal lands shall provide a copy of its petition to the affected tribal government and tribal regulatory authority, as applicable, at the time it files its petition with the Federal Communications Commission. In addition, the Commission shall send the relevant public notice seeking comment on any petition for designation as an eligible telecommunications carrier on tribal lands, at the time it is released, to the affected tribal government and tribal regulatory authority, as applicable, by overnight express mail." Are you requesting to provide service in any tribal areas?

RESPONSE: High Tech Communications is not requesting to provide service in any tribal areas.

7. Please provide examples about how High Tech Communications advertises or will advertise using media of general distribution, the availability of the supported services and what the charges are for these services.

RESPONSE: Please see attached Exhibit "B".

8. Does High Tech Communications provide service to its customers via a prepaid service? If so, what percentage of its customers receive their service via a prepaid service?

RESPONSE: Yes. At present, 100% of High Tech Communications' service is provided on a prepaid basis.

9. What is the average customer bill for a High Tech Communications residential telephone customer? In your response, please include the jurisdictions that this information is obtained from, and if there are variances in the bills pertaining to Florida customers, delineate those differences.

RESPONSE: High Tech Communications' average residential customer bill is \$48.00 including taxes & surcharges. This calculation is generated monthly based on our entire active customer database.

10. As a condition of receiving local service, are High Tech Communications residential customers required to subscribe to High Tech Communications long-distance services?

RESPONSE: No. Customers have the ability to subscribe to a plan that provides basic dial tone service, which does not require subscription to High Tech Communications' long distance service.

11. What specific plans does High Tech Communications have for advertising its offering of Lifeline Service in Florida?

RESPONSE: Target Low Income Areas with promotional material relevant to the Lifeline Customers. Flyers, postcards, signage will all be use.

12. If High Tech Communications receives an ETC designation in Florida, approximately how long will it take for High Tech Communications to offer Lifeline service in the area in which it receives the ETC designation? Please elaborate on any extended or special circumstances.

RESPONSE: High Tech Communications plans to provide Lifeline service within 60 days of ETC designation.

13. High Tech Communications' Application requests ETC status in non-rural areas of BellSouth/AT&T, Embarq, and Verizon. All of Embarq's Florida service area is considered rural for universal service purposes. If High Tech Communications is requesting only non rural areas for ETC status, its Application will have to be modified to eliminate the request in Embarq's service area. Does High Tech Communications only request ETC status in non-rural areas as stated in paragraph 12 of its application?

RESPONSE: No. High Tech Communications requests ETC status in non-rural and rural areas of BellSouth/AT&T, Embarq, and Verizon.

14. Describe High Tech Communications' local usage plans pursuant to 47 C.F.R. 54.101(a)(2). If phone service is offered in a bundled package, please describe and enumerate the wireline local component (charge for local phone service) for which universal service compensation would be based on?

RESPONSE: High Tech Communications' product offerings incorporate customer local usage into its basic price. We currently do not charge extra fee's for minutes of usage in extended local calling areas. Once ETC certified, High Tech Communications intends to pass through the appropriate credits reducing the monthly recurring price for LifeLine approved customers.

15. Describe the access High Tech Communications plans to provide to emergency services, such as 911 and enhanced 911 as defined in 47 C.F.R. 54.101(a)(5).

RESPONSE: The rate High Tech Communications pays for switched port/loop combination UNE's, leased from the ILEC, includes 911 and enhanced 911 services. As a result, High Tech Communications is able to offer the use of the same 911 services to its end users as those offered by the ILEC or RBOC to its own end users.

16. Do High Tech Communications' customers have access to competitive directory assistance providers, as defined as by 47 C.F.R. 54.101(a)(8).

RESPONSE: As a prepaid provider of telephone service, High Tech Communications routinely blocks access to services that require billing in arrears. However, High Tech Communications plans to comply with 47 C.F.R. 54.101(a)(8) by providing Lifeline customers, upon request, access to competitive directory assistance services.

17. Describe the toll-limitation features of High Tech Communications. See 47 C.F.R. 54.101(a)(9).

RESPONSE: As a prepaid provider of residential service, High Tech Communications routinely orders toll restriction, which, with the exception of toll free numbers, blocks access to all 1+ dialing patterns. Pursuant to 47 C.F.R. 54.101(a)(9), toll restriction is provided at no charge.

18. According to 47 C.F.R. 54.101(c):

A. state commission may grant the petition of a telecommunications carrier that is otherwise eligible to receive universal service support under Sec. 54.201, if the party is requesting additional time to complete the network upgrades needed to provide single-party service, access to enhanced 911 service, or toll limitation. If such petition is granted, the otherwise eligible communications carrier will be permitted to receive universal service support for the duration of the period designated by the state commission.

If you will be making such a request, what time frame will be necessary for High Tech Communications to accomplish these network upgrades? Please include in your response all areas for which you are seeking ETC designation.

RESPONSE: Not Applicable.

19. Pursuant to Florida Statutes Title XXVII, Chapter 364.025 (2), the Florida Legislature has determined that each telecommunication company should contribute its fair share to the support of Florida's universal service objectives and carrier-of-last-resort obligations. Please elaborate on how High Tech Communications plans on fulfilling its responsibility of being the carrier-of-last-resort?

RESPONSE: Applicant acknowledges it shall provide equal access if all other ETCs in the Designated Service Area relinquish their designations pursuant to section 214(e) of the Telecommunications Act of 1996. The FCC's ETC Order does not impose a general equal access requirement on ETC applicants at this time, but instead suggests the applicants acknowledge that an ETC applicant may be required to provide equal access to long distance carriers in their designated service area in the event that no other ETC is providing equal access within the service area. Applicant acknowledges this potential and will abide by the requirement should it occur in the future.

20. Because of the significance of being the carrier-of-last-resort, would High Tech Communications be willing to sign an affidavit attesting to your critical responsibilities?

RESPONSE: Yes. High Tech Communications is willing to sign an affidavit attesting to High Tech Communications' critical responsibilities.

21. Does High Tech Communications understand that there may be an audit of the use of universal service funds and that the eligible telecommunications service designation is reviewed annually by state commissions?

RESPONSE: High Tech Communications understands that there may be an audit of the use of universal service funds and that the eligible telecommunications service designation is reviewed annually by state commissions.

22. Does High Tech Communications have any outstanding complaints at the Federal Communications Commission? If yes, please provide a synopsis of these complaints.

RESPONSE: High Tech Communications does not have any outstanding complaints at the Federal Communications Commission.

23. Is High Tech Communications' account current with the Federal Communications Commission in regards to regulatory fees? If not, please explain what steps, if any, are being taken to resolve/rectify this situation.

RESPONSE: To the best of High Tech Communications' knowledge, High Tech Communications is up to date on all regulatory fees.

24. Is High Tech Communications' account current with the Universal Service Administrative Company in regards to universal service contributions?

RESPONSE: To the best of High Tech Communications' knowledge, High Tech Communications is up to date on all universal service contributions.

25. Please provide a Certification attesting to the best of your knowledge, information and belief, all statements of fact contained in the request are correct statements of the business and affairs of the requesting carrier with respect to each and every matter set forth in this request.

RESPONSE: Please see attached Exhibit "C"

26. Does High Tech Communications understand that any resold Lifeline, Link-Up or TLS service purchased through another carrier cannot be claimed by High Tech Communications Teleconnect as access lines eligible for reimbursement from USAC?

RESPONSE: High Tech Communications understands that any resold Lifeline, Link-Up or TLS service purchased through AT&T Resale Services cannot be claimed by Affordable Phone Service, Inc. d/b/a High Tech Communications as access lines eligible for reimbursement from USAC.

27. Please provide a list of each wire center which High Tech Communications is requesting ETC status in Florida.

RESPONSE: Please see attached Exhibit "D"

28. Please provide High Tech Communications' corporate structure.

RESPONSE: Please see attached Exhibit "E"

29. Please provide a list of High Tech Communications' owners or corporate officers and indicate if any are also owners or corporate officers of any other Telecommunication Companies.

RESPONSE: Joseph Fernandez, President. Mr. Fernandez is not an owner or corporate officer of any other Telecommunication Company.

30. Please provide an example of a typical High Tech Communications residential and business customer bill.

RESPONSE: Please see attached Exhibit "F"

31. Please provide 2006 Financial Statements for High Tech Communications

RESPONSE: Please see attached Exhibit "G" .

32. Will High Tech Communications seek TLS reimbursement from USAC if granted ETC status? If yes, provide a detailed list of the incremental costs it will be claiming.

RESPONSE: Yes, a detailed list of the incremental costs it will be claiming is as follows:

One time installation charge	\$7.82
Monthly recurring charge	\$3.87
Cost to administer per customer/per month	\$0.50

33. Will High Tech Communications seek Link-Up reimbursement from USAC if granted ETC status? If yes, list the amount per customer High Tech would be claiming.

RESPONSE: Yes, Link-Up reimbursement will be claimed in the amount of \$30.00 per customer, or the highest amount allowable.

34. Will High Tech Communications seek Lifeline reimbursement from USAC if granted ETC status? If yes, list the amount per customer High Tech would be claiming.

RESPONSE: Yes, Lifeline reimbursement will be claimed in the amount of \$13.50 per customer, per month, or the highest amount allowable.

35. Does High Tech Communications provide service to customers using bundled packages? If so, will High Tech Communications provide the \$13.50 Lifeline discount to any bundle a customer chooses?

RESPONSE: Yes, service is provided in bundled packages, and Lifeline discounts will apply to any bundle that a customer chooses.

36. Does High Tech Communications understand that Florida ETCs provide a non-reimbursable \$3.50 credit per month to each Lifeline customer's bill in addition to the Federal \$10.00 reimbursement credit?

RESPONSE: Yes, Applicant understands that Florida ETCs provide a non-reimbursable \$3.50 credit per month to each Lifeline customer's bill in addition to the Federal \$10.00 reimbursement credit.

37. Does High Tech Communications understand that Florida's Lifeline program provides that if a Lifeline customer is no longer eligible for Lifeline, the ETC must provide a 30% monthly discount off its local rate to that customer for a period of 12 months at the ETCs expense?

RESPONSE: Yes, Applicant understands that Florida's Lifeline program provides that if a Lifeline customer is no longer eligible for Lifeline, the ETC must provide a 30% monthly discount off its local rate to that customer for a period of 12 months at the ETCs expense.

38. Please provide High Tech Communications' purpose for requesting ETC status in Florida. What does the company hope to achieve?

RESPONSE: High Tech Communications' purpose for requesting ETC status in Florida is to make more eligible consumers aware of the Lifeline and Link-Up programs, and to provide such service at a discounted rate, by applying the credit amounts, and the additional \$3.50 Florida ETC credit.

39.1.3. Hostage or Barricaded Persons Emergencies. If a Party receives a request from a law enforcement agency for temporary number change, temporary disconnect or one-way denial of outbound calls for an end-user of the other Party by the receiving Party's switch, that Party will comply with any valid emergency request. However, neither Party shall be held liable for any claims or damages arising from compliance with such requests on behalf of the other Party's end-user and the Party serving such end-user agrees to indemnify and hold the other Party harmless against any and all such claims.

IN WITNESS WHEREOF, each of the Parties has caused this Agreement to be executed by its duly authorized representatives.
