Re: Docket No. 080183-WU
Joint Application of Tamiami Village Water Company, Inc. and Ni Florida, LLC
for Approval of Transfer of Tamiami Village Water Company, Inc.'s Water System

Dear Ms. Daniel:

Recently you asked Ni Florida, LLC to elaborate on possible post-acquisition system upgrades the company was considering making to the Tamiami system. Although there are no recorded violations at this time, Ni Florida's meeting with the Tamiami Master Association indicated a possible lack of working isolation valves and/or flush valves. Ni Florida will be investigating this issue further in the course of its due diligence process to determine specific requirements or upgrades to meet standards in the Tamiami system.

Please feel free to call if you have any questions.

Sincerely,

Marsha E. Rule
