COMPLAINT INFORMATION

Complaint: Other Complaint against Plantation Bay Utility Co.

Details:

this co. has installed service to a developement across the street outside of plantation bay. facilities and equipment in PB will be used. do they have a permit for this and will the residents of PB share in the income from these customers since we have already payed for the plant. this is about plantation bay utility co. **Subject:** Rate Increase

Dear Sirs,

I just receive another notice from Utilities, Inc., Order No: PSC-08-0104-PAA-WS, Docket No: 080005-WS, notifying of a requested increase in our water and sewer utilities.

The FPSC just authorized a change in rates for service provided on or after January 25, 2009 and now the Utilities, Inc. wants another increase on or afer May 2, 2009.

I strongly urge the Commission to disapprove this request. It would not be so bad if I were also able to receive increases in my Social Security and retirement pension every five or so months.
