Hi Hong:

Please reopen the docket to process FPL's request for extension of the confidential classification period and input the time schedule set out by the revised CASR.

If I can be of further assistance in this matter please let me know.

Bob, we got the revised CASR for Docket 060224. However, this docket was closed on 12/29/2006. Do we need to reopen the docket? Do we need to change staff assignments?

Thanks!
