General Data Requests for 070348-TX

1. Does Swiftel, LLC provide Lifeline service in any other state? If so, please list the state and whether this service is provided through resale. In addition, have any of these state utility commissions received any complaints concerning Swiftel, LLC service in that state? If so, please describe.

RESPONSE: Swiftel, LLC currently offers LifeLine products in the AT&T services areas under Resale. To our knowledge there are no open complaints concerning Swiftel, LLC in any of the states we provide service.

2. Has Swiftel, LLC received ETC status in any other state? If so, please list the state and docket number in which ETC status was granted.

RESPONSE: Yes, Swiftel has been granted ETC status in the State of Alabama.

3. According to 47 C.F.R. 54.201(d)(1), A company must offer the services that are supported by federal universal service support mechanisms either using its own facilities or a combination of its own facilities and resale of another carrier's services. Please provide any UNE or Commercial agreements you currently have in Florida with other telecommunications carriers or signed evidence of the agreements.

RESPONSE: Please see attached Exhibit "A".

4. What facilities, planned or existing, does Swiftel, LLC have in Florida in order to serve Florida customers?

RESPONSE: Swiftel does not own, operate, or provide service in the State of Florida through the use of its own facilities. Current plans call for Swiftel to continue to provide service to its end users through the leasing of switched port/loop combination UNE's (previously known as UNE-P) or through resale.

5. How many Florida residential and commercial customers does Swiftel, LLC presently serve?

RESPONSE: Swiftel does not have any commercial customers as their business is only residential. As of June 14, 2008, Swiftel has 1201 active residential lines.

6. According to 47 C.F.R. 54.202(d), "A common carrier seeking designation as an eligible telecommunications carrier under section 214(e)(6) for any part of tribal lands shall provide a copy of its petition to the affected tribal government and tribal regulatory authority, as applicable, at the time it files its petition with the Federal Communications Commission. In addition, the Commission shall send the relevant public notice seeking comment on any petition for designation as an eligible telecommunications carrier on tribal lands, at the time it is released, to the affected tribal government and tribal regulatory authority, as applicable, by overnight express mail." Are you requesting to provide service in any tribal areas?

RESPONSE: Swiftel is not requesting to provide service in any tribal areas.

7. Please provide examples about how Swiftel, LLC advertises, using media of general distribution, the availability of the supported services and what the charges are for these services.

RESPONSE: Swiftel advertises via postcards through US Mail using a purchased direct marketing list based on demographic analysis focusing on the lifeline eligible customer. We also advertise via Television in alternating FOX affiliates across the state that is published 3 days weekly. Swiftel also has ads in every Thrifty Nickel paper market in the state with an ad size of 3 x 5 inches. These ads run weekly. Swiftel also has a referral program that is offered to customers that gives the referee an extra month free for referring a new customer. Swiftel has flyers in their home market of Pensacola in the different government offices such as: DCF, SSA, Section 8 housing, Health Departments and bulletins in local grocery markets. Swiftel is in the process of setting up agents across the states in local food marts and gas stations for the customers to be able to either set up new service or pay on their bills each month.

8. Does Swiftel, LLC provide service to its customers via a prepaid service? If so, what percentage of its customers receive their service via a prepaid service?

RESPONSE: Yes. At present, 100% of Swiftel's service is provided on a prepaid basis.

9. What is the average customer bill for a Swiftel, LLC residential telephone customer? In your response, please include the jurisdictions that this information is obtained from, and if there are variances in the bills pertaining to Florida customers, delineate those differences.

RESPONSE: Swiftel's average residential customer bill is \$37 including taxes & surcharges. This calculation is generated monthly based on our entire active customer database. This includes Caller ID, Call Waiting Deluxe, and 60 Minutes of long distance each month included in the bill. There is no activation fee period. There is no deposit. The customers will receive their first 30 days free up front. When Swiftel ETC is designated we will be able to provide the same exact services for approximately 15.00 per month (we are currently providing ETC service in AL for this price). We are able to give this pricing because of the ability to file with the USAC as a designated ETC. The actual current price in Florida is \$28.99 without taxes.

10. As a condition of receiving local service, are Swiftel, LLC residential customers required to subscribe to Swiftel, LLC long-distance services?

RESPONSE: No. Customers have the ability to subscribe to a plan that provides basic dial tone service, which does not require subscription to Swiftel's long distance service.

11. What specific plans does Swiftel, LLC have for advertising its offering of Lifeline Service in Florida?

RESPONSE: Swiftel utilizes Agent payment locations for store signs and brochures. Periodically advertising is done through local TV, Radio Stations, newspaper ads and/or trade magazines.

The information provided to the customers will be the information as shown in both English and Spanish on the Florida PSC website for Lifeline and Linkup.

12. Describe Swiftel, LLC's local usage plans pursuant to 47 C.F.R. 54.101(a)(2). If phone service is offered in a bundled package, please describe and enumerate the wire line local component (charge for local phone service) for which universal service compensation would be based on?

RESPONSE: Swiftel's product offerings incorporate customer local usage into its basic price. We currently do not charge extra fee's for minutes of usage in extended local calling areas. Once ETC certified, Swiftel intends to pass through the appropriate credits reducing the monthly recurring price for LifeLine approved customers.

13. Do Swiftel, LLC's customers have access to competitive directory assistance providers, as defined as by 47 C.F.R. 54.101(a)(8).

RESPONSE: As a prepaid provider of telephone service, Swiftel routinely blocks access to services that require billing in arrears. However, Swiftel plans to comply with 47 C.F.R. 54.101(a)(8) by providing Lifeline customers, upon request, access to competitive directory assistance services.

14. Describe the toll-limitation features of Swiftel, LLC. See 47 C.F.R. 54.101(a)(9).

RESPONSE: As a prepaid provider of residential service, Swiftel routinely orders toll restriction, which, with the exception of toll free numbers, blocks access to all 1+ dialing patterns. Pursuant to 47 C.F.R. 54.101(a)(9), toll restriction is provided at no charge.

15. According to 47 C.F.R. 54.101(c):

A state commission may grant the petition of a telecommunications carrier that is otherwise eligible to receive universal service support under Sec. 54.201, if the party is requesting additional time to complete the network upgrades needed to provide single-party service, access to enhanced 911 service, or toll limitation. If such petition is granted, the otherwise eligible communications carrier will be permitted to receive universal service support for the duration of the period designated by the state commission.

If you will be making such a request, what time frame will be necessary for Swiftel, LLC to accomplish these network upgrades? Please include in your response all areas for which you are seeking ETC designation.

RESPONSE: Not Applicable.

16. Pursuant to Florida Statutes Title XXVII, Chapter 364.025 (2), the Florida Legislature has determined that each telecommunication company should contribute its fair share to the support of Florida's universal service objectives and carrier-of-last-resort obligations. Please elaborate on how Swiftel, LLC plans on fulfilling its responsibility of being the carrier-of-last-resort?

RESPONSE: Applicant acknowledges it shall provide equal access if all other ETCs in the Designated Service Area relinquish their designations pursuant to section 214(e) of the Telecommunications Act of 1996. The FCC's ETC Order does not impose a general equal access requirement on ETC applicants at this time, but instead suggests the applicants acknowledge that an ETC applicant may be required to provide equal access to long distance carriers in their designated service area in the event that no other ETC is providing equal access within the service area. Applicant acknowledges this potential and will abide by the requirement should it occur in the future.

17. Because of the significance of being the carrier-of-last-resort, would Swiftel, LLC be willing to sign an affidavit attesting to your critical responsibilities?

RESPONSE: Yes. Swiftel is willing to sign an affidavit attesting to Swiftel's critical responsibilities.

18. Does Swiftel, LLC understand that there may be an audit of the use of universal service funds and that the eligible telecommunications service designation is reviewed annually by state commissions?

RESPONSE: Swiftel, LLC understands that there may be an audit of the use of universal service funds and that the eligible telecommunications service designation is reviewed annually by state commissions.

19. Does Swiftel, LLC have any outstanding complaints at the Federal Communications Commission? If yes, please provide a synopsis of these complaints.

RESPONSE: Swiftel does not have any outstanding complaints at the Federal Communications Commission.

20. Is Swiftel, LLC's account current with the Federal Communications Commission in regards to regulatory fees? If not, please explain what steps, if any, are being taken to resolve/rectify this situation.

RESPONSE: To the best of Swiftel's knowledge, Swiftel is up to date on all regulatory fees.

21. Is Swiftel, LLC's account current with the Universal Service Administrative Company in regards to universal service contributions?

RESPONSE: To the best of Swiftel's knowledge, Swiftel is up to date on all universal service contributions.

22. Please provide a Certification attesting to the best of your knowledge, information and belief, all statements of fact contained in the request are correct statements of the business and affairs of the requesting carrier with respect to each and every matter set forth in this request.

RESPONSE: Please see attached Exhibit "B"

23. Does Swiftel, LLC understand that any resold Lifeline, Link-Up or TLS service purchased through AT&T Resale Services cannot be claimed by Swiftel, LLC as access lines eligible for reimbursement from USAC?

RESPONSE: Swiftel, LLC understands that any resold Lifeline, Link-Up or TLS service purchased through AT&T Resale Services cannot be claimed by Swiftel, LLC as access lines eligible for reimbursement from USAC.

24. Please provide a list of each wire center which Swiftel, LLC is requesting ETC status in Florida.
