STAFF'S DATA REQUESTS

**Re: Docket No. 080367 - Petition for approval to modify renewable energy program by Tampa Electric Company.**

Dear Mr. Beasley:

By this letter, the Commission staff requests that Tampa Electric Company (TECO) provide responses to the following data requests.

1. Please provide a list of TECO's current and planned company-owned renewable energy sources and the amount of energy produced from these sources.
2. Does TECO purchase renewables from other providers for this program? If so, please list the source, type, amount, and price of such renewables?
3. Please provide expense and revenue figures for the Renewable Energy Program from January 2007 to date.
4. Have any maintenance costs accrued since the Renewable Program became permanent in December 2006? If so, please describe and list costs.
5. Are all the revenues received through the renewable energy program spent on the energy administration fees, and marketing and advertising? Please provide detail on how these costs are spread amongst the categories.
6. Since removing the one year participation requirement pertains to residential customers as well, please provide a spreadsheet showing the average amount of energy purchased from residential customers on a per month basis since the Renewable Energy Program became permanent.

7. Does TECO have any estimates about how much renewable energy would be purchased from the potentially new customers (residential and commercial) who inquired about making one time purchases?
8. Is it possible that removing the one year requirement could have a negative effect on participation (residential and commercial) and revenues from the program, causing the program to once again not be self-sustaining? Please explain and provide any analyses conducted for this topic.

Please file the original and five copies of the requested information by Tuesday, July 22, 2008, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6193 if you have any questions.

Sincerely,
