Case Background

On April 10, 2008, Progress Energy Florida, Inc. (Progress) filed a petition to amend its territorial agreement with Withlacoochee River Electric Cooperative (Withlacoochee) to extend the time to complete customer transfers. The territorial agreement represented a comprehensive resolution of territorial issues in several counties, and involved the transfer of several thousand customers between the utilities. Because of the comprehensive nature of the agreement and the numerous customer transfers, the agreement was implemented in two phases. The Commission approved the first phase of the agreement by Order No. PSC-05-0965-PAA-EU, issued October 10, 2005, and the second phase of the agreement by Order No. PSC-06-0202-PAA-EU, issued
