I apologize, Ralph. That should have been Docket 080249. We received a petition on PAA in 080249, not 080248. Thank you for your help.

I am assigned to D. No. 080249-WS, Labrador Utilities, Inc., and Keino Young and Dale Buys are assigned to 080248-WS, Tierra Verde. In D. No. 080249-WS, Labrador, OPC has both intervened and protested -- so they are a party for sure in that docket. I will let Keino and Dale handle D. No. 080248-WS.

Hi Christian,

We have not filed a CASR yet. We will file one today. I hope to file a recommendation on 8/21, assuming we do not have a lot of questions.

The APC was listed because the docket title has in it a request for waiver of Rule 25-4.118. They are listed on all rule waiver requests. A waiver of the rule is not needed but I will still have to address it in the recommendation.

I have copied the Clerk's Office on this e-mail so they can correct the address concern you identified in the e-mail below.

Subject: ITS Telecom, Docket No. 080502-TC

Ray,

I have been monitoring the PSC website for any updates to the CASR in Docket No. 080502-TC. Please note that the address of the law firm should be "2180 West State Rd. 434, suite 2118". The way it currently reads duplicates the "state road" and "SR", ultimately not leaving enough space for the full suite number.

Also, I noticed that the Administrative Procedures Committee is listed as an interested person. In my water/wastewater experience, that office is usually on cases that deal with revising the rules. Is it normal in Telecom for that office to observe?

Thanks for your help. I just want to make sure that correspondence gets through.

Regards,
Christian
