AFFIDAVIT OF GERARD J. YUPP

BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp who, being first duly sworn deposes and says:

1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director of Wholesale Operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification of Certain Information Obtained in Connection with Audit No. 04-022-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual data such as pricing and other terms, payment records, and vendor and supplier rates, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms for the benefit of its customers and would impair the competitive interests of FPL and its vendors. Certain of the information would also place FPL at a disadvantage when coupled with other information that is publicly available.

3. No significant changes have occurred since the issuance of Order No. 07-0104-CFO-EI to render the information state or public such that continued confidential treatment would not be appropriate. Accordingly, the information referred to in this affidavit should continue to be maintained as confidential for an additional period of not less than eighteen months. In addition, these materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

AFFIDAVIT OF TERRY O. JONES

BEFORE ME, the undersigned authority, personally appeared Terry O. Jones who, being first duly sworn, deposes and says:

1. My name is Terry O. Jones. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of Nuclear Operations in the Midwest Region in the Nuclear Business Unit. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification of Certain Information Obtained in Connection with Audit No. 04-022-4-1. The document and materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information include data related to security measures and negotiated agreements for the protection of FPL facilities. This information, if made public, would disclose certain of FPL's security measures, systems, or procedures to the detriment of FPL and its customers, and would impair FPL's efforts to enter into contracts on commercially favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. No significant changes have occurred since the issuance of Order No. 07-0104-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Accordingly, the information referred to in this affidavit should continue to be maintained as confidential for an additional period of not less than eighteen months. In addition, these materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

BEFORE ME, the undersigned authority, personally appeared Osvaldo J. Lom who, being first duly sworn, deposes and says:

1. My name is Osvaldo J. Lom. I am currently employed by Florida Power & Light Company ("FPL") as Supervisor, Purchase Power Contracts, Wholesale Services. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification of Certain Information Obtained in Connection with Audit No. 04-022-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain competitively sensitive data that, if disclosed, would place FPL at a competitive disadvantage. Certain proprietary confidential information concerns St. Johns River Power Park (SJRPP), a Jacksonville Electric Authority (JEA) and FPL venture.
