Re: Notification of the Indirect Transfer of Control of Globalcom, Inc. to First Communications, Inc.

Dear Ms. Cole:

First Communications, Inc. ("FCI") and Globalcom, Inc. ("Globalcom ") (together, "Parties"), by undersigned counsel, hereby notify the Commission of a transaction that will result in the indirect transfer of control of Globalcom, a competitive carrier that holds authority to provide intrastate telecommunications services in Florida, to FCI. Although the proposed transaction will result in a change in the ultimate ownership of Globalcom, no transfer of certificates, assets or customers will occur as a consequence of the proposed stock transaction. Globalcom will continue to provide service to its existing customers in Florida pursuant to those authorizations under the same rates, terms and conditions. Accordingly, this transaction will be virtually transparent to the customers of Globalcom. The Parties will notify the Commission when the transfer of control is complete.

It is the Parties' understanding that Commission approval is not required in connection with the transaction described herein. Accordingly, this letter is filed for informational purposes only to ensure the continuing accuracy of the Commission's records.

The Parties further state as follows:

III. Description of the Transaction

FCI and GCI entered into an Agreement and Plan of Merger ("Agreement") on July 18, 2008 whereby Merger Sub will merge with GCI, with GCI surviving. As a result, GCI will be a wholly-owned subsidiary of FCI, and FCI will indirectly control GCI's subsidiary, Globalcom. The Parties notify the Commission of the indirect transfer of control of Globalcom to FCI. For the Commission's convenience, pre- and post-transaction illustrative organization charts for the combined Florida operating companies are provided as Exhibit A.

Immediately following the consummation of the proposed transaction, Globalcom will continue to offer service with no change in the name of the company, or its rates or terms and conditions of service. Therefore, the transfer of control of Globalcom will be seamless and virtually transparent to consumers in the State. If in the future FCI seeks to change the Globalcom name or make changes to its existing rates, it will do so in accordance with Commission's requirements applicable to such changes.

IV. Public Interest Considerations

The Parties submit that the proposed transaction will serve the public interest. The proposed acquisition will enable Globalcom to obtain access to additional financial and operational resources from its new parent company. These additional resources will allow Globalcom to strengthen its competitive position in Florida to the benefit of Florida's consumers and the State's telecommunications marketplace.

In addition, the transaction will be conducted in a manner that will be virtually transparent to customers of Globalcom. The transfer of ultimate control of Globalcom will not result in a change of carrier for customers or any transfer of authorizations. Following consummation of the proposed transaction, Globalcom will continue to provide high-quality communications services to its customers without interruption and without change in rates, terms or conditions. The Parties emphasize that the proposed transfer of control will be seamless and virtually transparent to the customers of Globalcom, and in no event will it result in the discontinuance, reduction, loss, or impairment of service to customers.
