**SWIFTEL LLC'S REQUEST FOR POSTPONEMENT**

Swiftel LLC ("Swiftel"), by and through their undersigned attorneys, hereby respectfully move for a postponement of consideration of this matter to on or after the September 16, 2008, Agenda Conference and states as follows:

1. On August 7, 2008, the Commission issued a notice that a matter in this docket would be considered at the August 19, 2008, Conference Agenda.
2. Undersigned counsel was engaged by Swiftel today, August 13, 2008.
3. Swiftel petitioned for designation as an eligible telecommunications carrier on May 30, 2007. This matter has therefore been pending for more than 14 months.
4. On August 7, 2008, the Commission Staff issued a recommendation that Swiftel's petition should not be granted. That recommendation identifies a number of specific deficiencies in Swiftel's petition.
5. Given the technical nature of those deficiencies, Swiftel submits respectfully that Commission time and resources could, and should, be conserved by first having Swiftel review the items with staff, as opposed to a lengthy review before the full Commission.

6. The undersigned submits that during such review there is a substantial likelihood the items may be resolved without the need to burden the full Commission. That resolution would then lead to a more expedited review at any future Agenda Conference.

7. As this matter has been pending for quite some time, an additional short postponement will not result in any adverse consequences. Additionally, the postponement will not result in prejudice as there are no procedural nor statutory deadlines at issue nor any critical dates associated with this docket.

8. Undersigned counsel has conferred with Commission staff regarding this matter to schedule an appropriate meeting.

WHEREFORE, based on the foregoing, Swiftel respectfully requests this matter be postponed until on or after the September 16, 2008, Agenda Conference.

Respectfully submitted,

SWIFTEL LLC
