Sorry for the typo. It should have been 090538.

Please update the contact info on that Lifeline docket. We will not be sending a letter to the parties on that one.

Hi Matt,

I'm following-up on the document numbers below. Docket 090528-TI is a closed docket related to waiver of carrier selection requirements between two different companies. Should that request have been for Docket 090538-TP?

I also found Docket 080234-TP - Implementation of Florida lifeline program involving bundled service packages and placement of additional enrollment requirements on customers. tw telecom is listed as an "interested person" in that docket. Please confirm whether or not that information should be updated as well.

Thank you for your help.

Dorothy,

Hey. I represent tw telecom of florida, l.p. Their main contact person is Carolyn Ridley (former name Carolyn Marek). Anyway, the tw telecom office has moved. So, the address that y'all have for tw telecom -- 555 Church Street, Suite 2300, Nashville, TN 37219-2330 -- needs to be changed. Here is the new contact information.

Carolyn's email address, phone number and title are all the same as before, but I sent that along in case you asked! Only the address for the office has changed.

Anyway, please change the contact info you have for tw telecom to reflect the new address in Bowling Green, KY. Let me know if you have any questions.

Since tw telecom is a party in a few open dockets, we will have to separately notify the parties in those cases of the new address.

Thanks.

Good afternoon, Donna

Thank you for your e-mail below. Per your earlier request (the Change of Information on Regulated Utility Form), the Master Commission Directory was updated to reflect your name as the primary person to receive letters and other filings from the PSC's Office of Commission Clerk. Based on that update, our Case Management System (mailing list for pending dockets) has also been updated, or has included you when a new docket was subsequently opened, for the following Dockets:

- 100180-TC
- 100288-TL
- 100185-TL
- 080234-TP ✓

If you are aware of any other open dockets where this information should be updated, please advise and we will make that change as well.

I am forwarding your message to Beth Salak in our Division of Regulatory Analysis, and to Carolyn Craig in our Office of General Counsel, so that they can forward this message to staff and the attorneys to advise of the updated contact information. I have also confirmed that this updated information is correctly reflected on the PSC website for each of the dockets mentioned above.

If you have any questions, please give our office a call.

**Subject:** Change of Information

Good afternoon,

Jeff Leslie, CEO/President of ITS Telecommunications, would like me to inquire how I can change his name from being primary recipient of letters coming from the various divisions of the PSC. One example being the recent letter regarding State Certification of Rural Companies that was sent out by Beth Salak's division. He plans on doing a lot of traveling this year and does not want the chance of any of the important documents sitting on his desk waiting for his return. I have already submitted the Change of Information on Regulated Utility Forms but I need to know the procedure involved with changing Jeff Leslie's name as primary contact from other official correspondence.

I would appreciate any help regarding this matter.

Thank you,

*Donna J. Marreel*

For clarification, if you wish to change the contact information so that orders and notices in active Dockets 090323, 090168, 090161, and 080234 are sent to you, rather than to Mr. Leslie, we can do that in CMS (Case Management System). If you wish change the company's contact information in the listed current dockets and all future dockets that may be opened, that will require the change in MCD (Master Commission Directory). **RE:** Change of Official Parties of Record (Parties to the Proceeding) in Docket No. 080234-TP—Implementation of Florida lifeline program involving bundled service packages and placement of additional enrollment requirements on customers. *PLT for AST*

On April 24, 2008, Docket No. 080234-TP, was established to address the implementation of the Florida Lifeline program involving bundled service packages and placement of additional enrollment requirements on customers. In the request to establish this docket, many companies were suggested for the docket mailing list. When the Proposed Agency Action Order (PAA) issued in this docket was protested, these companies were included in a list of official parties of record.

Staff requests a change of the official parties of record to include only the following: Alltel Communications; NPCR, Inc. d/b/a Nextel Partners and Sprint Corporation n/k/a Sprint Nextel Corporation d/b/a Sprint PCS; Verizon Florida LLC; and, the Office of Public Counsel. This list represents the companies that protested the PAA, and the only intervenor to date.

All other parties currently listed as official parties of record should be removed as official parties of record but should remain on the docket's mailing list.

Thank you for your assistance with this matter.
