Subject: Staff request to make oral modifications to Item #13, Docket Nos. 080203-EI, 080245-EI, and 080246-EI

Staff has identified some typos in the recommendation for Item #13 scheduled for the August 19, 2008 Agenda Conference which is currently cancelled. These typos do not affect the substance of the staff's recommendation and therefore, staff is requesting to make an oral modification at the September 4, 2008 Agenda Conference. The corrections are as follows:

- 1) Delete "(18)" from "Rule 24-22.082(18)" on the following pages:
 - Page 4, second paragraph,
 - Page 7, top of page,
 - Page 24, in recommendation statement and bottom of page,
 - Page 25, last paragraph,
 - Page 33, in recommendation statement and bottom of page, and
 - Page 34, last paragraph.
- 2) On page 33, Issue 17, delete the last sentence in the recommendation paragraph that reads "FPL should be required to annually report the budgeted vs. actual construction expenses for all three projects." This sentence relates to the recommendation in Issue 8.
- 3) On page 41, Issue 24, delete the last sentence in the recommendation paragraph that reads "Costs in addition to those identified in this need determination proceeding should not be recoverable unless FPL can demonstrate that such costs were prudently incurred and due to extraordinary circumstances." This sentence relates to the recommendation contained in Issue 17.

Please let me know if you approve of this request.
