Dear Ms. Cole:

Enclosed for filing please find the original and thirty copies of a revised Page 18 to Seminole Electric Cooperative, Inc.'s Ten Year Power Plant Site Plan, originally filed on April 15, 2008. In the course of reviewing our Ten Year Site Plan, we found a minor error in the base-case summer peak demand values for 2007, contained in Schedule 3.1.1 on Page 18. The attached revised page corrects this error.

Please do not hesitate to call me if you have any questions or comments.

Sincerely,

Trudy S. Novak
Sr. Director, Bulk Power and Generation Planning
