Re: Cape Morris Cove, 100 Dolphin Fleet Circle, Port Orange, FL  
32129

Dear Sir or Madam:

It is our understanding that Cape Morris Cove is a development that will include approximately 177 condominium units and that first residents are expected in the 3<sup>rd</sup> quarter 2008.

The developer has informed BellSouth Telecommunications, Inc. d/b/a AT&T Florida that it will be moving forward with Bright House Networks for communications service to residents and that AT&T Florida service to residents is not desired, and has instructed AT&T Florida not to place facilities to provide service to residents. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(1), Florida Statutes, we are writing to inform the Commission that AT&T Florida has been restricted from installing its communications facilities during the construction phase of the above property. Accordingly, AT&T Florida is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreement between the developer and the alternate provider, and will not be providing service to residents at the property.

Sincerely,

Greg Follensbee  
Executive Director, AT&T Florida
