MANATEE COUNTY )

AFFIDAVIT OF PAUL PLOTKIN

BEFORE ME, the undersigned authority, personally appeared Paul Plotkin who, being first duly sworn, deposes and says:

1. My name is Paul Plotkin. I am currently employed by Florida Power & Light Company ("FPL") as Plant General Manager of the Manatee Energy Center. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents and information included in Exhibit A to FPL's First Request for Extension of Confidential Classification of certain information provided pursuant to Audit No. 06-044-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual data such as pricing and other terms, payments records, and vendor and supplier rates, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms for the benefit of its customers, and would impair the competitive interests of FPL and its vendors. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. No significant changes have occurred since the issuance of Order No. PSC-07-0320-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Accordingly, the information referred to in this affidavit should continue to be maintained as confidential for an additional period of not less than eighteen months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
