## **Notice of Interim Rate Increase**

Labrador Utilities, Inc.  
PSC Docket No.: 080249-WS  
Notice Issued On November 14, 2008

On October 28, 2008, the Florida Public Service Commission approved interim water and wastewater rates for Labrador Utilities, Inc. The interim rates will be collected subject to refund, pending the Florida Public Service Commission's final decision regarding final rates. If a refund is ordered, it will include interest based upon the Commission determined factors.

The rates prior to filing, the Utility's requested interim rates, and the Commission-approved interim rates are set forth in the rate schedule attached to this notice.

Effective June 1, 2001, Section 367.0816, Florida Statutes, requires that rate case expense be amortized over a period of four years. The statute further requires that the rates of a utility be reduced immediately at the conclusion of the four years by the amount of rate case expense previously included in the rates. Labrador Utilities, Inc. was granted a rate increase by the Commission in Order No. PSC-04-1281-PAA-WS, issued December 28, 2004 in Docket No. 030443-WS. The four year recovery period for rate case expense will expire on December 30, 2008.

The interim rates will be effective November 19, 2008. On December 31, 2008, the interim rates will be reduced as required by Order No. PSC-04-1281-PAA-WS, as shown on the attachment to this Notice. The rates in effect after this date are set forth in the column furthest to the right in the attached rate schedule.

Written comments regarding the Utility's service or the requested final rate increases may be sent to the Commission at the following address:

Office of Commission Clerk  
Florida Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, Florida 32399-0850

All comments should refer to Docket No. 080249-WS which is the docket number that has been assigned to this case.

If you have any questions, please call the Utility's office at (800) 272-1919.
