JURISDICTION

This Commission is vested with jurisdiction over the subject matter by the provisions of Chapter 120, F.S., Section 403.519, F.S., and Chapters 25-22 and 25-106, Florida Administrative Code (F.A.C.).

APPLICABLE STATUTES AND RULES

Under Section 403.519, F.S., the Commission is the sole forum for the determination of need for the proposed Greenland Energy Center Combined Cycle Conversion in Duval County. In making its determination, the Commission must take into account the need for electric system reliability and integrity, the need for fuel diversity, the need for base-load generating capacity, the need for adequate electricity at a reasonable cost, and whether the proposed plants will provide the most cost-effective source of power. In addition, the Commission must expressly consider any renewable energy sources and technologies or conservation measures taken by or reasonably available to JEA which might mitigate the need for the plant. The Commission may consider other matters within its jurisdiction which it deems relevant. The Commission's determination of need for the proposed plant shall create a presumption of public need and necessity and shall serve as the Commission's report required by subsection 403.507(2)(a)2, F.S. An order entered by the Commission pursuant to this hearing shall constitute final agency action.

Only issues relating to the need for the proposed Greenland Energy Center Combined Cycle Conversion will be heard at this hearing. Separate public hearings will be held before the Division of Administrative Hearings at a later date to consider environmental and other impacts of the proposed plant and associated facilities.

Members of the public who are not parties to this proceeding will have an opportunity to present testimony regarding JEA's petition. All members of the public who wish to offer testimony should be present at the beginning of the hearing, 9:30 a.m., Thursday, February 12, 2009. All witnesses will be sworn in and will be subject to cross-examination at the conclusion of their testimony. By providing public testimony, a person does not become a party to the proceeding. Anyone wishing to become a party to this proceeding should file an appropriate petition pursuant to Rule 25-22.039, F.A.C., with the Office of the Commission Clerk at the address listed below.
