Dear Mr. Rosenschein:

I apologize for the delay in getting back with you. There is no easy answer since so many agencies are involved.

E911 is \$0.50 statewide - See Section 365.172(8)(3)(f), Florida Statutes. You can also go to our website (www.floridapsc.com) which provides a link to the Florida 911 Coordinators. However, it depends what is in your interconnection agreement(s) as to who collects and pays the fees. After you are at our home page, click on "Utility Regulation", then "Telecommunications", then "Florida 911 Coordinators."

Telecommunications Relay Surcharge - See Section 427.704(4), Florida Statutes. You need to go to our website and click on "Utility Regulation", then "Telecommunications", then "Florida Relay." I would suggest you read all to familiarize yourself with all procedures.

State Tax - See Sections 203.01(1)(b), 203.01(1)(a)2, 202.12(1)(a), and 202.125(1), Florida Statutes. The Florida Department of Revenue is the agency that oversees state taxes. Their website is: <http://dor.myflorida.com/dor/>.

County Tax - See Section 202.19(4)(a), (4)(b), and (5), Florida Statutes. County taxes are overseen by counties, but the Florida Department of Revenue provides additional information on this tax. See: <https://geotax.state.fl.us/dorPubIdx.jsp>.

Federal Tax, also known as the Federal Excise Tax - See 26 U.S.C. Section 4251(b)(2) and 26 U.S.C. Section 4252(b). - The Internal Revenue Service is your source for information about this.

Universal Service Fund charge - The Federal Communications Commission is your source for information about this.

Dear Ms Isler,

Thank you for your prompt response to our phone call. Would or could you explain or direct us to information regarding which taxes and or fees we are responsible for as a Florida CLEC so we may assure compliance with the regulatory agencies?

Subject: FW: TK187 - Mextel Communications Inc. d/b/a The Dunnellon Phone Company d/b/a The Florida Phone Company d/b/a The Phone Company

Dear Mr. Rosenschein:

I decided to just respond to you on the e-mail I sent you Friday about your IXC. Just so there is no misunderstanding, Mextel has two certificates. The IXC, which gives the company authority to sell/resell long distance service, including prepaid calling cards. The IXC company code is TK187. In addition, the company has a CLEC and that company code is TX951. From our conversation, you stated that local service is all the company provides and that you wanted to keep the CLEC certificate active.

The Regulatory Assessment Fee (RAF) is owed (there is a \$700 minimum for IXCs and \$600 for CLECs) if a certificate was active for any day during a calendar year. And, certificates remain active until a company requests cancellation or until the Commission cancels a certificate on its own motion. This means that Mextel owes the 2008 and 2009 RAFs since we were not aware until today that the company is interested in cancelling its IXC certificate.

As information, there are two types of cancellation, one is voluntary, which is granted if a company leaves in good standing and does not owe any fees. The other is involuntary, which is when a certificate is cancelled on the Commission's own motion for violation of a rule, order, or statute. Either way, the company needs to write us a letter requesting cancellation. The letter should also include its intent on payment of the 2008 and 2009 fees. The 2008 and 2009 RAF returns are attached.

As soon as we receive a letter requesting cancellation of the certificate, a docket will be opened to handle the cancellation request. I wish I had better news for you but let me know if you have any questions. Thanks.

Subject: TK187 - Mextel Communications Inc. d/b/a The Dunnellon Phone Company d/b/a The Florida Phone Company d/b/a The Phone Company

Good afternoon:

This morning (February 20, 2009), the Commission mailed out delinquent notices to those companies that either have not paid the 2008 Regulatory Assessment Fee (RAF) or have not paid the 2008 RAF in full. Our records show that the company has not paid the 2008 RAF. I wanted to give you a heads up because those certificate holders not complying with the delinquent notices will be automatically fined \$500 for a first offense, \$1,000 for a second offense, and \$2,000 for a third offense. A copy of the Regulatory Assessment Fee rule is attached.

If the company owes the minimum and if payment is postmarked between January 31 and March 1, the total due is \$742, which is comprised of the \$700 minimum RAF, \$35 penalty, and \$7 interest. If payment is postmarked between March 2 and March 31, the total due is \$784, which is comprised of the \$700 minimum RAF, \$70 penalty, and \$14 interest. A copy of the 2008 RAF return form is also attached. Please complete it and return it with full payment, including the late payment charges. Just as information, late payment charges (penalty and interest) continue to accrue until the RAF is paid.

If your records show that payment was made, let me know right away by providing me with the check number and the date payment was mailed so that I can research this further. Please let me know if you have any questions. Thanks.
