Re: DOCKET NO. 090001-EI - Fuel and purchased power cost recovery clause with generating performance incentive factor.

Dear Mr. Butler:

We are in the process of catching up on confidentiality orders. In so doing, I have discovered several requests by Florida Power & Light Company that date back some 18 months or more. Those FPL requests that date back 18 months are listed below. I would appreciate it if you would review the documents and determine whether your request could be withdrawn. If the request for confidentiality can be withdrawn, would you notify the clerk in writing, with a copy to me?

For any document listed below which requires extended confidential treatment, would you so indicate in writing with an explanation of the reason for the extension, as you would a request for extension of confidential treatment of a previously issued order.

The outstanding 2007 FPL requests are as follows:
