Re: DOCKET NO. 090009-EI - Nuclear cost recovery clause.

Dear Mr. Butler:

On August 20, 2008, you filed a request for confidential classification of certain information contained in the prepared Revised Direct Testimony and Exhibits of William R. Jacobs, Jr., Ph.D., on behalf of the Citizens of the State of Florida (OPC). It appears that all information can be given confidential classification except for the information found on page 2 of Exhibit B, lines 10-15. This information can not be awarded confidential classification because the same text is found unredacted in Staff's audit and prefiled testimony in this docket. Did you modify your petition for confidential treatment to reflect this? If not, do you intend to do so? Thank you in advance for your assistance on this matter.
