RE: Docket No. 090418-WS: Application for name change on Certificate Nos. 404-W and 341-S in Orange County from Pluris Wedgefield, LLC to Pluris Wedgefield, Inc.

On August 26, 2009, an application was filed on behalf of Pluris Wedgefield, LLC (utility) for acknowledgement of the name change of the utility. The utility was granted Certificate Nos. 404-W and 341-S in 1983.¹ Econ Utilities Corporation was the original owner of the utility. The utility has been transferred three times, including once at the parent level, and the utility's territory has been amended once.² In 1996, the Commission approved the transfer of Econ Utilities Corporation to Wedgefield Utilities, Inc. and, in a separate docket, the utility's territory was amended. In 2006, the Commission approved the transfer of majority organizational control of the utility's parent. In 2009, Wedgefield was transferred to Pluris Wedgefield, LLC.

The application was filed pursuant to Rule 25-30.039, Florida Administrative Code, which provides for changes in name only, with no change in the ownership or control of the utility or its assets. The reason given for the name change is the limited liability company was converted to a corporation. The utility's name has been changed to Pluris Wedgefield, Inc.

A statement is provided in the application by the former sole member of the LLC and current president of Pluris Wedgefield, Inc., attesting that there will be no change in the utility's ownership, control, or service provided to customers. The application includes documentation from the Florida Department of State, Division of Corporations, that the new corporation was registered in Florida effective April 21, 2009. The application contains a copy of the proposed notice to be sent to customers informing them of the name change. The closing on the transfer

¹ Order No. 12315, issued August 4, 1983, in Docket No. 820323-WS, In re: Application of Econ Utilities Corporation for original water and sewer certificates in Orange Florida.

mentioned above will not occur until November or December of 2009, at which time the utility will notice the customers of the new name.

Section 2.07(C)(2)(a) of the Administrative Procedures Manual grants the Director of the Division of Commission Clerk and Administrative Services, in coordination with the appropriate industry division and the Office of the General Counsel, authority to approve a change of name of a regulated utility where no change of ownership or control or transfer of assets is involved. Staff, therefore, recommends that the request for acknowledgement of change in name is in compliance with the provisions of Rule 25-30.039, Florida Administrative Code, and that an administrative order be issued within 30 days acknowledging the change of name on Certificate Nos. 404-W and 341-S from Pluris Wedgefield, LLC to Pluris Wedgefield, Inc. The resultant order should serve as the utility's water and wastewater certificates and should be retained by the utility. Finally, upon issuance of the order, the docket should be closed.
