Hi, Keino,

Following up on our conversation about the hearing exhibits, I looked at Exhibit 145 and the transcript again. I think that Exhibit 145 should continue to be held as confidential -- it is subject to PEF's 6th Request for Confidential Classification, filed June 25, 2009. For Exhibit 148, I can confirm that the entire document is no longer confidential and can be released.

Please let me know if you have any questions - thanks!

Dianne
