Dorothy, I've completed my review of the 01/20/10 document descriptions, and will bring the Index to you shortly. In addition to the things marked on the hard copy, there is one thing I wanted to mention to you.

Document 00452-10 (Sunny Shores Water Co. (Mason) - Letter dated 1/11/10 requesting an amendment of current water tariff to implement a backflow maintenance program to customers) was filed on 01/19/10, and placed in Docket 100000. Staff later on filed a request to establish docket (Document 00489-10) with the same letter attached, and Docket 100038 was opened. However, Document 00452-10 is still in undocketed in CMS. Shouldn't it be moved to Docket 100038?

Thanks.
