Thank you for that information, Marguerite.

When I spoke to Monroe County/Donna, to advise that the letter that was faxed had gone to our Consumer Affairs (complaint) Division, she advised that the hard copy of the letter had also been mailed via certified mail on 9/20/10. I advised Donna that if they had already sent the original hard copy they didn't need to e-file it. However, it was e-filed with a note indicating that I had suggested it be e-filed. That document was assigned DN 07948-10.

Per the e-filing requirements at <http://www.psc.state.fl.us/dockets/e-filings/>:

The party submitting a document for filing by electronic transmission acknowledges and agrees:

- a. That the original physically signed document will be retained by that party for the duration of the proceeding and of any subsequent appeal or subsequent proceeding in that cause, and that the party shall produce it upon request of the other parties or the Commission.
- b. That the party submitting the filing shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the Division as a result.
- c. That the filing date for an electronically transmitted document shall be the date the Division receives the complete document. If the document is received on a non-business day, or after 5:00 p.m. on a business day, it will be considered filed as of 8:00 a.m. on the following business day.

Diamond and Marguerite, please keep an eye out for the hard copy via U.S. mail. When it comes in, please bring it to Ann's attention as it will need to be returned as a duplicate filing.

Thank you for your help.
