Subject: Confidentiality in Docket 100009-EI for Progress Energy

Keino and Jim,

Ms. Costello from Carlton Fields called me to confirm the refiling of the redacted testimony for Will Garrett. She also requested that DN 01340-10 be returned to the source since they will be filing a new request for confidentiality along with the confidential material (including the corrected pages). Please provide instructions if this document is also to be returned to the source along with DNs 01341-10 and 01347-10. Thank you for your help on this matter.
