Re: Docket Nos. 070001-EI and 080001-EI  
 423 Forms 10/07-1/08

Dear Mr. Butler:

While catching up on outstanding confidentiality requests, staff has identified several requests for confidential treatment for Florida Power & Light Company's (FPL) 423 Fuel Reports for the months of June, 2007 and October, 2007, through January, 2008, filed during the 2007 and 2008 fuel clause proceedings which have not yet been acted upon.

Given the amount of time that has passed since the original requests (in excess of 22 months), I am writing to ask that you review the identified documents and determine whether any of FPL's requests for confidential classification can be withdrawn, and the information declassified. For information that FPL believes should continue to be treated as confidential, I would appreciate it if FPL would file requests for extended confidential classification. Thank you for your time and attention, and please do not hesitate to contact me if you have any questions.

Document Nos.	Month	Date of pending request
09316-07	June, 2007	October 11, 2007
00416-08	October, 2007	January 16, 2008
00912-08	November, 2007	February 5, 2008
01354-08	December, 2007	February 21, 2008
00312-08	January, 2008	April 16, 2008

Sincerely,
